RESOURCES TO SHARE WITH YOUR EMPLOYEES AS ANNUAL ENROLLMENT COMES TO A CLOSE

IT IS NOT TOO LATE

Annual Enrollment is open through Tuesday, Aug. 22, and we want your employees to have the tools and information to make an informed decision. We've included a message below that you can share with your employees as a reminder about the resources they have at their disposal.

MEMBER WEBINARS

[Member webinars](#) explain the TRS-ActiveCare plans and benefits. They are available on the [TRS-ActiveCare Aetna website](#) and can be viewed on demand any time of the day. In addition, employees can submit questions as they watch and an Aetna representative will follow up with an answer.

ALEX

Making a decision about healthcare coverage can be overwhelming. [ALEX](#) is an online tool that helps employees decide which plan works best for them and their family. ALEX collects some simple information and walks them through the benefits, features and costs of each plan – without all the insurance jargon.
